## NEWS OF KENTUCKY

Tersley Told Information Concerning  
Matters of Current Interest  
to Kentuckians.

### THE STATE NEWS IN A NUTSHELL

Here Are Found Accurately Detailed  
the Happenings of the Largest Im-  
port Which Are Attracting Atten-  
tion Throughout Kentucky.

Brookville, Ky., Sept. 2.—Twenty  
night riders, masked and armed, met  
with a warm reception on the farm of  
Walter Galloway, five miles east of  
Palmouth. They rode up to the tobacco  
barn and applied the torch, 8,000  
pounds of tobacco being destroyed.  
Galloway had not been awakened, but  
was awakened by the glare of the  
flames. He seized a shotgun and fired  
from a window into a group of the  
riders.

The fire was returned without dam-  
age and the raiders galloped away.  
Galloway's charge of shot struck one  
of the men, who rode to Palmouth for  
surgical attention. The identity of the  
wounded man has been disclosed and  
he may be arrested. He is said to re-  
side on a farm near that of Galloway.

### COURT FINES W. O. BRADLEY

Judge Adams Says He Will Preside at  
Trial of Beech Hargis.

Jackson, Ky., Sept. 2.—When the  
Breathitt circuit court convened for  
the trial of Beech Hargis, who killed  
his father, Judge James Hargis, Judge

BEECH HARGIS.

Adams announced from the bench that  
he would overrule the motion of de-  
fendant requesting him to vacate the  
bench.

He directed the clerk to enter a fine  
of twenty dollars each against Senator  
W. O. Bradley, Judge D. B. Redwine,  
J. J. C. Bach, Will A. Young and T. T.  
Cope, counsel for the defendant, who  
filed the affidavit asking him to vacate  
the bench. Judge Adams said the ac-  
tion of the attorneys in preparing the  
affidavit and filing now is a contempt  
of court, and under the rules of the law  
the affidavit does not present at this  
time reasons that justify the court in  
refusing to preside at the trial.

### NO USE FOR INFORMERS

Indianapolis Blacks Turn on Kentucky  
Negro Who Betrayed Murderer.

Indianapolis, Sept. 2.—Claude An-  
drews, the cousin and betrayer of  
Jesse Cox, the negro murderer who  
was shot to death in southern Ken-  
tucky and whose body was brought  
here for identification, narrowly es-  
caped violence at the hands of a mob  
of colored people in Cora street.

As the result, Andrews, who had decided  
to make Indianapolis his home, went  
back to Tompkinsville, Ky., with Sher-  
iff Bryant and his deputy, Granger  
Conklin, the officers who killed Cox,  
and who brought the body here.

A certain class of the negroes of the  
city regard Cox as a hero and they are  
enraged at Andrews for the part he  
played in the killing of the desperado.  
The mob was held at bay by a  
detective, who, with drawn revolver,  
threatened to kill anyone that came  
near. Reinforcements arrived and An-  
drews was taken to the police station  
for safe keeping. Afterward he was  
sent in the charge of two patrolmen  
to the home of a relative, where he  
remained until the departure of the  
Kentucky officers, whom he accompan-  
ied south. It is believed by negroes  
here, however, that he will never again  
show his face in the mountain home  
of the Coxes.

Girls Burned When Fuse Burned Out.  
Lexington, Ky., Sept. 2.—Misses  
May Collins and Emma Bryant of Ver-  
sailles, May Hagerdorn and Jeffie  
Goode of this city all members of a  
merry making party on the Belt line  
streetcar were badly burned and  
bruised by a fuse on the car burning  
out. The girls jumped from the car  
when the blaze appeared and were cut  
and bruised, besides being burned.

Sick Son Slays Sire.  
Newport, Ky., Sept. 2.—At Miner-  
va, in Marion county, John Bruce, aged  
twenty years, shot and killed his father,  
Lewis Bruce, forty-five years old.

The elder Bruce, it is said, had at-  
tacked his wife, when his son inter-  
fered and shot him with the fatal re-  
sult stated.

### OBALDIA TAKES CHARGE

New President of Panama Enters  
Upon Executive Duties.

Panama, Sept. 2.—The electoral  
proceedings which began last January  
and which for so long a time threat-  
ened the peace of the republic, ended  
happily Sunday when Dr. Augusto  
Boyd, chairman of the national jury  
on elections delivered to senior Don  
Jose Domingo de Obaldia the docu-  
ment setting forth the final count of  
the states of the whole republic which  
makes him the constitutional suc-  
cessor of President Manuel Amador. To  
celebrate this event senior Obaldia was  
given a banquet Sunday night by the  
most prominent Panamanians and for-  
eigners on the isthmus, at which the  
president-elect was the object of many  
felicitations.

The national assembly will convene  
tomorrow. So far as politics are con-  
cerned, no trouble is expected on the  
isthmus for a long time to come.

### REPUBLICAN VOTE

#### FELL OFF IN VERMONT

Independence League Seems to  
Have Cut Some Figure.

White River Junction, Vt., Sept. 2.—  
The Republicans won the election in  
Vermont Tuesday by carrying the  
state for Lieutenant Governor George  
H. Prouty of Newport for governor by  
about 28,000 votes over James E.  
Burke of Burlington, his Democratic  
opponent. The plurality was the  
smallest in a presidential year since  
1892, when it was only 17,956, and was  
followed by a Democratic national vic-  
tory, but it was larger than in 1888  
and only slightly less than in 1900.

There was a falling off in four years  
of about 8 per cent in the Republican  
vote, while the Democratic vote fell off  
about 2 per cent.

The Independence League appeared  
for the first time and polled about  
1,000 votes, while the Prohibition and  
Socialistic vote remained about the  
same. An unusually large number of  
local contests for members of the leg-  
islature, although bringing out a heavy  
vote and resulting in Democratic gains  
in the lower branch of the legislature,  
apparently had no bearing on the gov-  
ernatorial fight.

General Buckner Now Alone.  
Biloxi, Miss., Sept. 2.—Lieutenant  
General Alexander P. Stewart, one of  
the last surviving lieutenant generals  
of the confederacy, is dead. After the  
death four months ago of Lieutenant  
General Stephen D. Lee, commander-in-  
chief of the United Confederate  
Veterans, General Stewart and Gen-  
eral Simon Bolivar Buckner of Ken-  
tucky were the only surviving lieuten-  
ant generals of the Confederate army.

General Stewart was born in Tennes-  
see and spent the greater part of his  
life in that state, but recently moved  
to Biloxi, on the Gulf coast, where the  
salt air and pine woods proved of  
great benefit to his health. Doag  
found him in the 87th year of his age.

Skiff Run Down by Yacht.  
Hardin, Ill., Sept. 2.—A skiff con-  
taining five persons was cut in two  
Sunday night in the Illinois river by  
the yacht Mayflower, and Mrs. May  
Appelman of Alton was drowned. She  
was knocked unconscious and sank  
immediately. Mr. and Mrs. Albert  
Combs of St. Louis were thrown into  
the water and Mrs. Combs sank. Her  
husband rescued her by diving. He  
also saved Miss Kate Lamar, who was  
struggling to keep her head above the  
water. Combs then went to the res-  
cue of Walker Stillwell, who could not  
swim.

Child Fell to Its Death.  
Chicago, Sept. 2.—William A. Dock-  
ery, Jr., the five-year-old son of Wil-  
liam A. Dockery, a wealthy planter of  
Memphis, Tenn., fell from an eighth  
story window in the Vendome hotel  
here Sunday and was instantly killed.  
The boy and younger brother were in  
a room by themselves when the older  
one pushed a screen from the window  
and fell with it to the pavement be-  
low.

Grand Jury Still at Work.  
Springfield, Ill., Sept. 2.—With a  
total of seventy-eight indictments re-  
turned, the special grand jury em-  
paneled to hear evidence on the recent  
race riots is still in session. An in-  
dictment charging murder was return-  
ed against Frank Bryant, alias Frank  
Sullivan. The young man has con-  
fessed to killing Thomas Brady.

Only Two of Crew Survived.  
Tokio, Sept. 2.—News of the sink-  
ing of the British steamer Dunearr  
and the loss of all the but two of the  
fifty-three members of her crew in the  
typhoon which raged on August 26 off  
the port of Goto, on the island of  
Kiushu, has reached here in a report  
received from Moji.

A Girl and a Gun.  
Anderson, Ind., Sept. 2.—By the ac-  
cidental discharge of a revolver in the  
hands of his ten-year-old sister, Jessie  
Hankins, while they were playing at  
the home of a relative in this city.  
Walter Hankins, six years old, was  
shot and instantly killed.

Madison, Ind., Sept. 2.—During a  
running fight with the police Bert  
Gray, a desperado, known as "Hog-  
jaw," was chased off a ferryboat and  
drowned.

bringing many souls to Christ in  
this county.—Mrs. M. E. Wilmott

Mr. and Mrs. Lum Howell have  
moved here from St. Louis and  
Mr. Howell has accepted a position  
with J. Thomas Cherry as clerk.—

daughter Miss Ada have returned  
to their home at Liberty after  
spending three weeks in our midst.

visited Miss Jewel Francisco  
from Saturday until Monday.  
Miss Maude Watson has accept-  
ed a position in J. Thos. Cherry's  
store in the dry goods department.  
—Your scribe had the honor of  
being a guest at the home of Mr.  
and Mrs. R. L. Smith in the Hiatt  
neighborhood also at Mr. and Mrs.

too for they have something to eat  
in that country.—Members of the  
Baptist and Christian churches will  
each present a play one night  
during the institute. Don't miss  
either for both are good.

### HOW TO GET STRONG.

P. J. Daly, of 1247 West Con-  
gress St. Chicago, tells of a way  
to become strong; He says: "My  
mother who is old and was very  
feeble, is deriving so much benefit  
from Electric Bitters, that I feel it  
my duty to tell those who need a  
tonic and strengthening medicine  
about it. In my mother's case a  
marked gain in flesh has resulted,  
insomnia has been overcome, and  
she is steadily growing stronger."

Electric Bitters quickly remedy  
stomach, liver and kidney com-  
plaints. Sold under guarantee at  
Chas. C. Davis' drug store. 50c.

The Japanese immigrants who  
were sent to the State of Sao Paulo  
by the Imperial Immigration Com-  
pany of Tokio are leaving that  
section in large numbers. They  
have been at work on the coffee  
plantations, but apparently were  
not satisfied with the employment.

Many of them have arrived at Rio  
Janeiro for the purpose of securing  
employment as domestic servants.

### A PAYING INVESTMENT.

Mr. John White, of 38 Highland  
Ave., Houlton, Maine, says: "Have  
been troubled with a cough every  
winter and spring. Last winter I  
tried many advertised remedies,  
but the cough continued until I  
bought a 50c. bottle of Dr. King's  
New Discovery; before that was  
half gone, the cough was all gone.  
This winter the same happy result  
has followed; a few doses once  
more banished the annual cough.  
I am now convinced that Dr.  
King's New Discovery is the best  
of all cough and lung remedies."

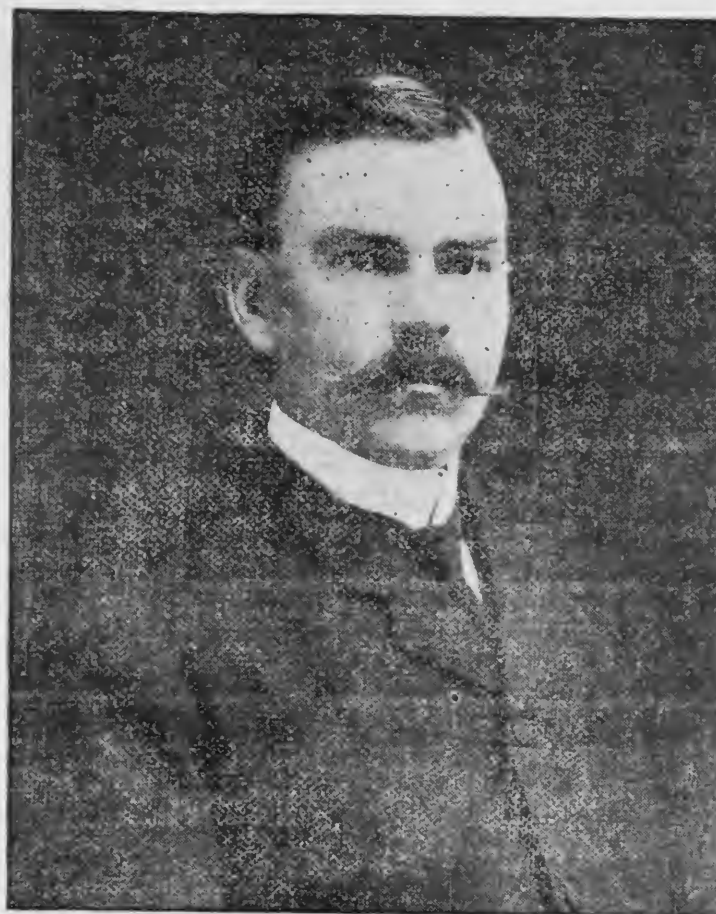

Sold under guarantee at Chas. C.  
Davis' drug store. 50c. and \$1.00  
Trial bottle free.

### JUDGE L. W. BETHURUM,

Who was nominated at Harrodsburg last Thursday by the Repub-  
licans of the Eighth Congressional District, as a candidate for Con-  
gress, to oppose the Hon. Harvey Helm. His nomination was by ac-  
clamation.

Judge Bethurum was born in this county and reared on a farm three  
miles south of Mt. Vernon. He secured his education in the public  
and private schools of Rockcastle county, later attending what is now  
Highland College of Williamsburg, and Brown University, Valparaiso,  
Ind. He taught in the common schools of Rockcastle county, studied  
law and was admitted to the bar May 30th, 1905, and graduated from  
the Law Department of the University of Louisville in 1897; formed a  
partnership with his brother, Hon. B. J. Bethurum and practiced law  
under the firm name of Bethurum & Bethurum. He was elected Coun-  
ty Attorney of his home county in 1901, which position he held one  
term. He was then nominated by the Republican party, without op-  
position, for the office of County Judge and elected, at the November  
election, 1906, by a handsome majority, which office he now fills. His  
grandfather, B. K. Bethurum, was elected County Judge of this county  
in 1858, re-elected in 1862, and held the office of County Attorney from  
1885 to 1890. His father, D. P. Bethurum, was County Judge, being  
elected in 1894, serving one term. This is the only instance in the  
history of the state where father, son, and grandson held the office of  
County Judge.

Judge Bethurum is an able lawyer, a strong and forcible speaker,  
and convincing advocate on the stump; has always taken an active inter-  
est in Republican politics, and all matters relating to the best interests  
of the county and state.

When you have a cold you may be sure that it has been caused in-  
directly by constipation and con-  
sequently you must first of all take  
something to move the bowels. This  
is what has made Kennedy's Laxative  
Cough Syrup so successful and so gen-  
erally demanded. It does not consti-  
pate like most of the old fashioned  
cough cures, but on the other hand  
it gently moves the bowels and at the  
same time heals irritation and allays  
inflammation of the throat. Sold by  
Chas. C. Davis.

The Federal summary of national  
bank condition shows that at the  
close of business on July 15, the  
total of the item "bonds, securities,  
etc." held by the banks was \$765,  
875,220.

Kodol will in a very short time,  
enable the stomach to do the work  
it should do, and the work it should  
do is to digest all the food you eat.

When the stomach can't do it  
Kodol does it for it and in the  
meantime the stomach is getting  
stronger and able to take up its  
regular natural work again. Kodol  
digests all you eat. It makes the  
stomach sweet and it is pleasant to  
take. It is sold here by Chas. C.  
Davis.

Judge Birkhead, of the Sixth  
judicial district, will not hear the  
cases against the Parrish brothers,  
the alleged bank wreckers, of  
Owensboro. He vacated on affi-  
davits of the defendants stating  
that they could not get a fair trial  
under him. Acting Gov. Cox will  
appoint a trial judge to hear the  
cases.

WHEN TRIFLES BECOME  
TROUBLES.

If any person suspects that their  
kidneys are deranged they should  
take Foley's Kidney Remedy at  
once and not risk having Bright's  
disease or diabetes. Delay gives  
the disease a stronger foothold and  
you should not delay taking Foley's  
Kidney Remedy.

We are authorized to announce G. T. JOHNSON as a candidate for County Court Clerk, subject to the action of the Republican party.

We are authorized to announce FELIX BOWMAN as a candidate for County Court Clerk, subject to the action of the Republican party.

### FOR JAILER

We are authorized to announce CAM MULLINS as a candidate for Jailer of Rockcastle County, subject to the action of the Republican party.

We are authorized to announce W. A. TAYLOR as a candidate for Jailer of Rockcastle County, subject to the action of the Republican party.

### FOR ASSESSOR

We are authorized to announce W. H. BAKER as a candidate for Assessor of Rockcastle County, subject to the action of the Republican party.

SEVERAL weeks ago, a subscription fund for the National Democratic Campaign Fund was started with the hope that at least \$50.00 could be raised and forwarded to that committee as our contribution. Some five or six Democrats subscribed \$32.00 and with that the fund seems to have stopped. This is no house to house begging campaign but on the other hand it must come voluntarily as a free will offering. Now if there be those who want to give a small amount to aid in that fight, which our great chieftain, William Jennings Bryan, is the head, send such to Jonas McKenzie, Mt. Vernon and you will receive proper credit. It takes money to carry on a great campaign such as this will be, and we want to see Rockcastle help pay a little of the bill.

UNFORTUNATELY, for the Republicans, "a full dinner pail" is not good campaign talk this year.

In 1893 it was Cleveland badges wonder what they are now?

### LIVINGSTON

Mr. McClellan Johnson of Lancaster is here looking after his business.—The Livingston Coal Company will start up their mines about September 10th which will add more work to this little town.—R. J. Lemonds was in Louisville first of the week.—Another crew of Railroad men came in Tuesday night. Livingston is certainly on a boom and will soon be good as ever.

Misses Pearl and Grace Fields of Stanford have been visiting relatives and friends here for past weeks.—Mrs. W. W. Wright and daughter Miss Cora went to London Monday where the latter will enter school.—Dispatcher C. H. White has purchased for his wife a fine Kurtzmann Piano.—The hog law has been passed here and we are glad to know will soon be taken off the streets.—Mrs. Nora Jenkins and children are visiting her sister in Paris.—Edgar Mullins of Mt. Vernon has accepted a position with the firm of Baker & Whitehead as clerk. He is a boy suitable to fill the place.—Rev. C. W. Campbell will fill his regular appointment at the Christian church Saturday night Sunday and Sunday night.

Kincer, the concrete contractor has just finished a nice walk and steps in front of the Christian church which is a thing of beauty.—We had a very interesting ball game here Sunday. East Bernstadt played Livingston. Scores 3 to 6 in favor of Livingston.—L. H. Davis and Bro. Ogle are on a fishing trip up Rockcastle river. J. S. Burrs of Paint Lick is running the store during his absence.—Mrs.

W. T. Merrimae and children of Paris are visiting her parents Mr. and Mrs. George Pope.—A number of the Livingston people have made concrete walks in front of their homes. We are soon to have concrete walks clear along Main streets which will be a great advantage to the town. Mrs. Mullins says she will make as much walk as any body. Aunt Sue is always ready to do her part.

C. P. Reynolds who has been on a ten days vacation to Niagara Falls returned Friday. He was accompanied by his sister from Ohio, who is spending a few weeks with him at the Eight Gables.—All of our hotels seem to be doing good business, and if they are all doing as well in proportion as the Eight Gables, there is no reason why they should not be prospering, for the Eight Gables is crowded all the time.—Mr. and Mrs. R. A. Pryor have taken rooms at Mrs. Nannie Orndorff's and board at the Eight Gables. Mr. Pryor having been assigned to one of the Cozatt double-heading runs cut off here as engineer.—W. H. Anderson, Supt. L. & N. for Kentucky division, was in our city Monday and Tuesday on business.

Messrs E. E. Snyder and W. O. Dilly, Supt. and Train Master for the L. B. division of the L. & N., were here Friday and Saturday of last week.—Dispatcher C. J. Quiggins with his family has been spending his vacation with his home folks at Elizabethtown. He returned to his post of duty Tuesday.—Mr. Balou, mine operator, has so we are informed, leased the New Livingston Coal Company's mines and will begin operation Monday.—The Livingston Lumber Company has resumed work at their mill here and are doing nice work. This gives employment to a number of men.—Who said Livingston was dead? We now have three work trains and five Cozatt double-heading crews stationed here and prospects look very favorable for more. A good place is like a good man, you can't keep it down.—Chief Dispatcher, R. J. Lemmons was in Louisville Saturday and Sunday on business.—Quite a number of our citizens attended the Laurel County Fair at London last week and all report it a great success.—Delph & Owens have dissolved partnership. The style of the firm in the future will be H. L. Delph, he having purchased the interest of Wm. Owens who says the mercantile business is too slow for him.—Little Cleo, daughter of S. E. Pennington, is very low with typhoid fever, but we are pleased to advise her inquiring friends that she is getting along as nicely as could be expected, and we hope how soon she may be playing about again.—The ordinance pertaining to the stock and side-walks you will find posted at the Postoffice and two other conspicuous places. Read them carefully and above all comply with them willingly.

We note with pleasure the many improvements which are being made in our city. Several of our citizens are slightly attacked with the concrete side-walk fever, and we hope that it will become contagious that every property owner in town will become so infested with it that he cannot rest until we can walk from one end of our town to the other and every step taken be upon concrete. I hope that neither of our physicians will recommend any cure for this malady, except that every one put their concrete walks down at once.

At its regular meeting August 27th, the city council passed the following ordinances: A stock law, prohibiting the running at large of hogs upon the streets at any time, and also compelling owners of cattle to put their stock off the streets at night. This is something that has long been needed in our town, and I believe I voice the sentiment of the entire community, when I say it meets with our hearty approval. But there is another ordinance which was also passed by this board, which in my opinion deserves more commendation from the citizens than any other, and that is the one known as the concrete side walk ordinance. Of course we know that this will not meet with the hearty approval of every property owner, and while there are some whom it will work a hardship on to a certain extent, yet when they take into consideration the value it will add to their property we feel that they will see wherein it will be to their interest to build their side-walks even if they have

to borrow the money at 8 per cent interest to do so. Now fellow citizens let us not censure the board for doing what they have done, but rather praise and commend them for the interest manifested and the noble way in which they have discharged their duty.

## AN IMPRESSIVE GRAND PARADE

Veterans of Great War Revive  
Memories of Other Days.

### SHOULDER TO SHOULDER AGAIN

As in the Days When Their Country Called Them, These Men March Again, Stout of Heart Though Bent of Frame, Giving a Pathetic Glimpse to the Country of the Now Sadly Depleted Ranks of the Hosts Who Went Forth in the Vigor of Young Manhood to Perform Their Patriotic Errand in the Hour of Their Nation's Need.

Toledo, O., Sept. 2.—The nation was today again given a pathetic but most impressive object lesson in patriotism when visitors to this city from all parts of the country stood patiently, solemnly, lining the streets to witness once more the annual muster and march of the grizzled veterans of the Grand Army of the Republic, who in their forty-second annual gathering here gave again an exhibition of valorous hearts. Each year the ranks of the veterans are noticeably depleted, but there were thousands in the line of the parade today and on each face, as that line passed the reviewing stand, there was the same look of patriotic fervor that each year for more than forty years, has made this annual parade the most impressive spectacle afforded to the people of this country.

It was the crowning feature of the great encampment, and everywhere along the line of march the veterans were greeted with the most respectful acclaim of the people.

### An Ex-Confederate's Word.

A street parade of a civic character and the dedication of the Fort Meigs monument at Perrysburg, twelve miles from Toledo, divided the interest of the veterans yesterday. Forty thousand journeyed by trolley and boat to the historic spot where General William Henry Harrison in 1812-13 checked the ambitions of the British general Proctor. Many speeches were made, chief among them being the utterances of Senator J. B. Foraker, Governor Harris and General Bennett H. Young, who represented Governor Wilson of Kentucky, who was unable to be present. General Young spoke as follows:

"What a marvelous thing it is to be able to stand in this distant state and say 'It is our country.' I came from the state of Kentucky to thank the people of the Maumee valley for this magnificent monument to our dead. There were only 1,800 men killed in the war of 1812, and of that number fate put it up to Kentucky to sacrifice 1,000 of her sons. My kinsmen were in that fort on that day of May 5, 1813, and fought in the battles which saved this valley from conquest.

"It makes a heap of difference how you come to Ohio. I came to Ohio once and you all took me and put me in the penitentiary. I am here now as a happy guest. I thought it a hardship that God should decide that our cause should fail, but I have since come to the conclusion that God knew better than I did, for this is the greatest, grandest and most progressive nation in the world. I will say now that I thank God for the result, although it was a bitter pill at the time.

"I have come to hear to you the grateful thanks of Kentucky. You men who have for forty years persevered with zeal in the work of commemorating this ground deserve the gratitude not only of Kentucky but the gratitude of the whole country.

"It was the spirit generated by the men who fell here in defense of the Ohio settlements that made the armies of the North and South the greatest volunteer armies that ever rallied around a flag and cause, braving death with a courage which only freemen can feel and that has made this the great nation of history."

### NEGRO'S BOLD ATTACK

Enters Young Woman's Bedroom in Home of Des Moines Mayor.

Des Moines, Ia., Sept. 2.—Miss Lizzie Agee, nineteen years old, a guest of George Mathis, a brother of the mayor of Des Moines, was attacked by a negro who entered her bedroom and stifled her cries by thrusting his fist in her mouth. After a desperate struggle the man became frightened, leaped from the window and hid in the cellar of a vacant house. Miss Agee calls for help attracted neighbors and officers. Two policemen arrested the negro, who gave his name as Earl Nizert. He said he was also known as Jack Carter. From letters found in his pockets it developed that he has a wife and several children in Jacksonville, Ill.

Two Brothers Commit Suicide. Springfield, Ill., Sept. 2.—Benjamin Wolaver, thirty-five years old, and Almer Wolaver, forty-five years old, horse dealers, who lived at Edinburg and were well known all over central Illinois, killed themselves as the result of a suicide pact. Financial troubles caused the brothers to take their lives. One took poison and the other drowned himself.

## LOCAL

Next Monday week is Institute week, at Brodhead.

The New concrete sidewalks looks like there is something doing in Mt. Vernon.

I. O. O. F.—All members of Mt. Vernon Lodge No. 319, are urged to be, present at the regular meeting, Saturday night Sept. 5th. Business of importance to come before the lodge.

W. A. Cox, Sec'y.

Oscar Wallin, son of Squire W. D. Wallin, of the East End, was married last week to Miss Roberts Davis, the pretty daughter of Dr. S. C. Davis, of Mt. Vernon. The groom is a sober, industrious and clever young man and his bride is one of Mt. Vernon's finest young ladies. We wish them a long, happy and successful married life.—Interior-Journal.

Our enterprising merchant, Mr. U. C. Baker, has set the pace in improvements which we trust others will imitate. Mr. Baker has just finished nice concrete walks in front of his residence, also walks leading around and about his premises, and last but not by any means the least, a handsome concrete fence in front of his residence. It is certainly a great improvement and something we hope to see more of in Mt. Vernon.

NARROW ESCAPE.—Sam Purcell who bought a portion of the Colyer farm in the Glades section, had the experience a few days ago of being buried alive. Mr. Purcell and another gentleman were digging a well, and had gone down some ten or twelve feet, when there was a cave in of the dirt, and for a few moments Mr. Purcell was covered over with more than three feet of dirt. Fortunately, Mr. Purcell's assistant had gone up out of the well, or both men, would more than likely have been left there to their fate, as no one was near, who could have come to their rescue. A large straw hat, which Mr. Purcell wore, which bent downward and covered his face is probably all that saved him, as it took his companion some little time to rescue him from his living burial.

Mr. Willis Adams narrowly escaped being seriously injured last Sunday afternoon, while returning from Langford, where he had gone to take Atty. C. C. Williams, to meet the Cincinnati passenger train. Mr. Adams was within two miles of Mt. Vernon on his return when the coupling of the carriage in which he was riding came loose, and let the bed of the buggy drop. This frightened the horse, which is a very spirited animal anyway, and he started to run. Mr. Adams held on until one of the reins gave way and then seeing there was nothing more he could do, attempted to free himself and only did so after receiving several cuts and bruises about his limbs and body but none serious. The handsome stanhope, belonging to Mr. Williams and which he had purchased only a short time ago was completely demolished.

GRADED SCHOOL.—Under the new act passed at the last session of the Legislature, each and every county in the State, where same is not already provided, must within two years from the passage of that act, establish one or more graded schools in the county. The law provides that the first must be established at the county seat and to us it seems that it is time that certain steps should be taken toward the carrying into effect of this law. It means too much for the county to be treated as a matter of minor importance. Since a large majority are uninformed and are at a loss to know just the proper steps to take and the best manner to proceed, we cheerfully extend to anyone desiring to express his views, the columns of this paper. The law says it must be done and of course, the sooner the better. Let us push this matter to an early completion, time is too precious to wait 'till next year to do what should be done now.

Mt. Vernon Base ball nine defeated Crab Orchard on the latter's diamond last Saturday by a score of 17 to 12, ten innings. Anderson, Lancaster's star pitcher was in the box for Crab Orchard, but was batted often and hard by the Mt. Vernon boys. Both sides played good ball but Mt. Vernon played a little the best. The score would indicate that there was some pretty rocky ball played, but not so, the conditions of the grounds, made certain ground rules necessary and let in several scores, which on good grounds would not have been. It was a very good game and neither side has cause to be ashamed.

John Robins has been appointed post master at Brodhead to succeed Capt. A. H. Evans, deceased.

Dr. and Mrs. R. W. Dyche were welcomed with one of the old time charivari, by the younger boys. Doc was a little slow making his appearance and the boys in their anxiety made a rush to get him, and accidently he got a knock on two on the head and especially on the arm which was not alto gather acceptable, but Doc never raised any kick.

## WHITE CITY AND STATE FAIR.

Louisville's Famous Amusement Park Be Open for Visitors from the State

The White City, Louisville's great amusement park, built at a cost of \$300,000, will be kept open through the week of the State Fair to give the visitors from the State an opportunity to enjoy its multitude of attractions.

This announcement is of the greatest interest to Kentucky people who will visit the fair, as it doubles the inducement of the trip to Louisville. The White City is the largest amusement park in the country outside of Chicago and New York. It covers enough space for a town, and in its bounds can be found amusement and entertainment unlimited.

The beauty of the White City in itself more than repays a visit. The immense Board Walk, built around a broad lagoon, is surrounded by the buildings and devices, all of white and handsomely

decorated. At one end of the walk is the Shoot-the-Chutes, the long incline descending to the lagoon, that the ride down the chutes may end in a delightful dash over the waters. At the other end of the lagoon is the large band pavilion. Here the Board Walk broadens into a great area, in the center of which stands the lofty electric tower, a structure of impressive beauty, and when illuminated at night, a dazzling spectacle. Beyond the tower is the German Village, with its beautiful shade trees. It occupies in itself enough ground for a park. Beyond the village is the immense pavilion, used for concerts, dancing, etc., which overlooks the majestic Ohio river, and the most beautiful part of this stream famed for its scenery. Adjoining the pavilion, on the river bank, is an open air theater and band stand, and further down the restaurant, where one may enjoy a meal beside the river at most reasonable rates.

The Scenic Railway, the longest in the world, is to the south of the Board Walk. A ride on it is a most delightful sensation of rapid travel, and at the same time delightful sensation of rapid travel and at the same time perfectly safe. The Figure Eight is a similar device in which one enjoys a ride that is a continuous whirl and a most fascinating pleasure.

The Shoot-the-Chutes, with its inspiring dash down the long incline, and the glide across the waters of the lagoon, is a pleasure of which one never tires. The Canals of Venice affords a trip in a gondola of a quarter of a mile through a reproduction of the Italian city. The amusements of the Board Walk are too numerous to mention, but the Third Degree and the Laundry may be mentioned as affording fun that alone is worth the trip to Louisville.

The White City is situated almost adjoining the State Fair and on the same car line, and can be reached without the slightest trouble by all fair visitors. It will be a delightful place to repair to after the fair has been enjoyed, and the White City's beauties and innocent amusements will doubtless please thousands of Kentucky folk during fair week.

The Kentucky Railroad Commission handed down an important decision Wednesday in the case of the Louisville Coal and Coke Company against the Louisville and Nashville and Chesapeake and Ohio railroads. It involved the rates of coal, mainly to points on the line of Louisville and Nashville between Lexington and Louisville. The railroads were fully sustained in the rates which they have fixed for coal to points such as Anchorage. The contracts for the leases of the

tracks of the Louisville and Nashville by the Chesapeake and Ohio from Lexington to Louisville were also sustained.

John Frederick Kellner, president of the Central Consumers' Company, and well known in fraternal and German American circles, died Wednesday morning of an affection of the throat. Mr. Kellner was born in Bavaria, and was a splendid type of self-made man.

Consumption is less deadly than it used to be. Certain relief and usually complete recovery will result from the following treatment:

Hope, rest, fresh air, and—Scott's Emulsion.

### KENTUCKY STATE FAIR RACES.

Horse racing, always an attraction at a State Fair, and more especially at an exhibition held under Southern skies, will be featured more than at any previous State Fair. The new half-mile track, now in process of construction, when completed will be one of the fastest half-mile courses in the country, and there is every indication for a first-class harness race meeting this fall. Four stakes, five purse, and three gentlemen's road races have been announced; in addition to these there will be two running races each day, so the Kentuckian who thinks that his day's visit at a fair is incomplete without seeing a first-class horse race will not be disappointed at this year's State Fair. Among the early closing events are the Kentucky Breeders' Association stake for 2:20 trotters, the Louisville Retail Merchants' Association stake for 2:30 trotters, and the Louisville Commercial Club stake for 2:18 pacers. Stake entries closed July 14th; purse entries close Sept. 7th, and entries for the cup races at 12 o'clock the day before the race.

The stake races will be contested on the three in five heat plan, with a five-heat final, and the purse races on the two in three heat plan. It is the ultimate intention of the State Fair management to build a full mile track encircling the present half-mile course, which, if the hopes of these in charge of the racing program are realized, will compare favorably with the best State Fair mile tracks in the country, and Louisville will doubtless become one of the most popular training grounds in the country.

### SPECIAL NIGHTS AT THE KENTUCKY STATE FAIR.

J. V. Beckman, manager of the Retail Merchants' Association of Louisville, is general chairman of the Special Nights Committee, and has been busily engaged for several weeks in arranging the most attractive night programs possible.

Monday night will be School Children's Night. Prof. E. H. Mark, superintendent of the Louisville public schools, is chairman of the committee in charge for that night.

Tuesday will be German-American Night, with Mr. Louis Seelbach in charge; Wednesday, Labor Night, John Young, president of the Federation of Labor, chairman; Thursday, Military Night, Col. W. B. Haldeman, commander of the First Kentucky regiment, chairman; Friday, Irish-American Night, Thomas McCabe, chairman; Saturday, Farewell Night, W. A. Robinson, chairman.

The show rings on Saturday will be especially interesting on account of the various horse championships being awarded that day.

### MACHINERY EXHIBITS AT THE STATE FAIR.

An unusually large exhibit of farm implements and machinery is in prospect. Owing to the incompleteness of the State Fair the exhibitors of this department do not share the same advantages afforded them by some of the older institutions in the way of large machinery halls, but every other facility and accommodation will be at their disposal. Commodious space will be assigned to this department, and already a large number of applications are on file, including manufacturers of engines, pumps, stock scales, fencing, mills, road machines, vehicles, harvesting machines, haying machines, planters, plows, and every utensil used by the farmer. The farmer who desires to be instructed in the use of better methods and better machinery will have a great object lesson before him at this fair.

### COLLIE DOGS AT THE STATE FAIR

The collie dog exhibit at the Kentucky State Fair promises to be a greater attraction than ever before. A new departure, one entirely original, and the first ever held in this section will be a sheep trial given by an expert, which will show the usefulness of the collie to the farmer. A creditable show of this nature will appeal to every collie fancier, as four points are to be gained by owners toward championship medal by American Kennel Club. It is expected that this year's show will bring out 150 collies, including many famous Eastern dogs. The sheep trial will be started by expert Eastern dogs. Any farmer in the state desiring to train up his dogs along this line and can compete, will be eligible.

### STUDENTS' JUDGING CONTEST.

Following a plan devised by the older state fair institutions of the country and one that has proved eminently successful at all the great Western fairs, as well as a progressive step in the interests of agricultural education, Commissioner Rankin has offered \$100 in cash for a scholarship to the Agricultural Department of the State University for the young man under twenty-one years of age doing the best work in livestock judging at the Kentucky State Fair of 1908, contestant to be required to file a written opinion with the reasons therefor on horses, cattle, swine and sheep exhibits. Correctness of selection will count 55 points and reasons substantiating the same, 45 points.

The Kentucky State Fair management has arranged a free amusement program which alone is worth the price of admission.

For catalogue, entry blanks or other information, write J. W. Newman, Secretary, 320 Paul Jones Building, Louisville, Ky.

### PASSED EXAMINATION SUCCESSFULLY

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes but did not improve until I took Foley's Kidney Remedy. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Remedy cures backache and all forms of kidney and bladder trouble.

### SIX GREAT DAYS AT THE KENTUCKY STATE FAIR.

The Special Days program has been announced, with Fred W. Kelsker, President of the Louisville Commercial Club, as general chairman of the Special Days committee. The first day will be known as Governor's Day and School Children's Day. It will mark the dedication of the new \$100,000 Live Stock Pavilion, which is now nearing completion, and which when finished will be by far the greatest exhibition hall in America. It is a building which will reflect credit not only to the management of the State Fair, but to the state itself. The ceremonies will include an address by Governor Willson and in all probability a number of other distinguished speakers will be present on that occasion. School children will be admitted that day for 10 cents, and Prof. H. C. McKee, President of the Kentucky State Educational Association, who is chairman of the first day's program is endeavoring to get out the largest attendance of children ever seen on a fairground in a single day.

Tuesday, Sept. 15th, will be College Day and Fraternal Day. Prof. F. Paul Anderson of the State University at Lexington, is chairman, and Charles B. Norton of Louisville, vice chairman for that day. On account of the very low railroad rates a much larger attendance of college students than usual is expected, and Prof. Anderson is actively working for large delegations from all the various collegiate institutions in the state. All the fraternal organizations of Louisville and other cities and towns of the state are invited to join in an effort to make this one of the biggest days of the fair. On this day the judging in all departments will begin. Horse and cattle awards will be made in the new show pavilion, while all other livestock, poultry and other departments will be judged in arenas especially prepared for that purpose.

Wednesday, Sept. 16th, will be Louisville Day and Southern Indiana Day. Mayor James P. Grinstead of Louisville will be chairman, and Jacob Best, mayor of New Albany, and E. N. Flynn, mayor of Jeffersonville, vice chairmen. The mayors of all three cities will issue a half-holiday proclamation. In addition to the many attractive horse rings, jack stock, Hereford and Angus cattle, Ayreshire cat, the Duroc-Jersey and Chester White Swine, Hampshire, Cotswold and American Merino sheep will be judged.

Thursday, always the largest in attendance of the week, will be known as Kentucky Day and Press Day. On no single day or event in the year are so many Kentuckians from all sections of the state assembled together. Mr. Tim Needham, Williamstown, Ky., president of the Kentucky Press Association, is chairman for that day and has named for his associates a number of the most wide-awake young newspaper men of the state, and if plans do not miscarry it will prove a genuine reunion of the quill-pushers.

Governor Willson will call a meeting of all persons interested in good roads in Kentucky on this day at the State Fair. Every city, commercial club, and fiscal court in the state will be invited to send delegates, and it is expected to here organize a permanent Good Roads Association in Kentucky. The question of securing the adoption by the people in 1909 of the Bosworth good roads amendment to the Constitution will be discussed. With low railroad rates and the State Fair attractions, it is thought a record-breaking crowd of good road advocates will be on hand.

Friday, Sept. 18th, has been designated as Equity Day and Grange Day. J. Campbell Cantrill of Georgetown, Ky., president of the Kentucky Branch American Society of Equity, has been named as chairman and F. P. Wolcott of Covington, Ky., Master of the Kentucky State Grange, vice chairman. Arrangements are being made for an immense parade of the members of the Society of Equity, composed of the many tobacco growers in both the dark patch and burley districts, through the streets of Louisville that day. This powerful organization, assisted by that noble band of true and enlightened farmers known as the Patrons of Husbandry, are uniting their efforts and walking shoulder to shoulder in this move and propose to make it an event of far-reaching importance and magnitude to the Kentucky farmer.

Miss Alice Loyd, the daughter of the Society of Equity, will deliver an address. The judging in all departments except horses will be concluded this day, and in the afternoon there will be a grand parade of all the prize winners, horses, mules, jacks and cattle in the Livestock Pavilion, with ribbons attached and animals placed in the order the awards were made.

Saturday, the last day, will be Everybody's Day. Anyone not classed under any other day will certainly be included in this.

Fairs Time-Keepers of Progress. President McKinley in his last speech made upon the grounds of the Buffalo Exposition, said among other things: "Fairs and Expositions are the timepieces which mark the progress of nations, and every fair, great or small, has helped in some onward progress."

The Kentucky breeder of livestock cannot bring his stock before the public attention better than by taking a premium at the Kentucky State Fair.

For catalogue, entry blanks or other information, write J. W. Newman, Secretary, 320 Paul Jones Building, Louisville, Ky.

### NEGROES DESERTING TAFT.

A special from Washington says: The Rev. J. Milton Waldron, president of the National Negro American Political League, is back from a trip to Rochester, N. Y., where he went to consult prominent men of his race in conference to opposing Judge Taft for President and doing all in their power to have the negroes cast their votes outright for Mr. Bryan. The blood of the "nigger" preacher is almost to the boiling point. On his return to Washington he heard things which he says caused him to be more determined than ever. Here is his statement:

"I was reliably informed on my arrival here that on account of my action in connection with the league and my support of Mr. Bryan that I was to be driven out of Washington. This information came to me from prominent negro leaders in the District of Columbia who were told this by several influential white Republicans, who frankly let it be understood that they were simply passing along the order which came from President Roosevelt and Judge Taft. I do not propose to be threatened or bullied from the independent stand I have taken. I will keep up the work because it is the only redemption in sight for the negroes and country as well.

### SUDDEN ATTACK OF DYSENTERY CURED.

A prominent lady of Brooklyn, N. Y., writes to inquire when she can obtain Chamberlain's Colic, Cholera and Diarrhoea Remedy. She says: "While stopping at a ranch in South Dakota I was taken ill of what seemed to be cholera. They gave me some of this medicine and cured me. I bought a bottle of this medicine and it cured me. I brought a bottle home with me and have just used the last of it today. Mother was taken suddenly ill of dysentery and it helped her immediately." For sale by Chas C Davis.

The Government's figures for the last fiscal year, which have just been compiled, show that the country's population was increased 209,000 by immigration.

### LAME BACK.

This is an ailment for which Chamberlain's Pain Balm has proven especially valuable. In almost every instance it affords prompt and permanent relief. Mr. Luke LaGrange of Orange, Mich., says of it: After using a plaster and other remedies for three weeks for a bad lame back, I purchased a bottle of Chamberlain's Pain Balm, and two applications effected a cure." For sale by Chas C Davis.
